

Christ In You

One Year Anniversary Celebration

The Young New Church in Kampala, capital city of Uganda

The Kampala Christ in You church has recently celebrated its first year anniversary.

This church has long been the vision of our associate Raphael who is the pastor and founder of the church. Raphael has been planting churches in various parts of Uganda. Over time he had a vision for starting a church in

the capital city of Kampala as well. His vision is that this will be a mission oriented church which will be able to support the planting of new churches in Uganda.

This new church has about 100 people in attendance, most of whom are young.

Please pray for the growth of this church, the wisdom and strength of its leader Raphael, and the resources necessary to allow this church to prosper.

Since the church is comprised of young people who do not have a lot of money, consider helping this church with financial contributions as well as your prayers.

Celebration!

This photo, and the next one, are of the first year anniversary celebration.

When the church first started in Kampala the canopy, that served as protection from sun and rain, just blew away!

However, the church did begin! And today, a year later, it is off to a thriving start.

Uganda is in Eastern Africa. Most of Our New Churches are on the Sudan Border.
