## Gospel Preaching In a Hindu Temple !

The fires of the Gospel are spreading everywhere! Countries poor in money are becoming rich in the treasures of God. I received a phone call from India.

Pastor Simon Haqq, our dear co-worker in India, was on the phone. He was so excited. He told me of an amazing account of a meeting he preached just a few days ago.

He told me he would follow up with an e-mail, which I am sharing with you here:

Our Brother Simon Haqq in Delhi, India has written an amazing account of his evangelistic meeting WITHIN A HINDU TEMPLE!

He passed on to us this account written by the host pastor Kiran Paul:

Hindu Gods

We invited Pastor Simon Haqq to hold a gospel event in our village. After two years he finally agreed to come. I believe it was God's timing.

I am the only Christian family in my village. When I was advertising about the meeting all the Hindu militant groups turned against us. These radical Hindus threatened me with dire

consequences if we were to hold a Christian meeting. So I went to the police who advised me not to conduct a meeting as there would be violence.

Then I called pastor Haqq and he said no matter what happens we will have the meeting. To my surprise he said we could have the meeting in a Hindu temple where Hindus will feel free to come. In my mind I disagreed but in my heart I desired to hold a meeting in a temple.

To my surprise 250 to 300 villagers came to hear the Word of God. Brother Simon preached the gospel.

By this time the police entered our village, followed by the newspaper reporters and then the CBI (equivalent to the FBI in the US). They all came to see what we are doing. The police and the CBI spoke to people in the congregation and even examined the preaching notes that Brother Simon was using.

The militant groups spread the news that Christian conversions were taking place. Pastor Simon preached the simple gospel and made the altar call. To my amazement 100% of the people responded. In front of their gods and goddesses they shouted I ACCEPT JESUS CHRIST AS MY LORD AND SAVIOUR. Right from Satan's home we snatched souls into the Kingdom of God.

During the altar call one policeman got touched by God. His severe pain vanished and he testified that God is in this place. After some time his officers came to pastor Simon to ask for a Bible.

As pastor Simon was sitting in a house the priest of the temple came and said "I also want Jesus in my heart."

### The Greatest "Bang for Your Buck" in Christian Missions

The average missionary from the US going overseas needs \$40,000 to \$100,000 per year. The average evangelist in a third world country needs \$1200 to \$6000 per year.

So we can support at least 20 native evangelists for every one American missionary.

The native evangelist doesn't need to learn a new language, struggle through a new culture or go home on furlough.

Christ in You is a not-for-profit tax exempt organization that has just been formed to help indigenous pastors and evangelists in poor countries around the world.

For the greatest "bang for your buck" in Christian missions, please consider a gift of any size to Christ in You.

Help Brother Simon and many others in the huge harvest of souls.

Whether or not you can contribute money, please commit to pray for Simon Haqq and his team, and the work of evangelism they are doing in India. Please also pray for Christ In You, that the vision of huge harvests of the Kingdom will be realized.

Thanks for your prayers !
