Amazing Reports From India

We have had many wonderful reports come out of India regarding God's grace and demonstration of His power. In this edition of our newsletter we want to share with you some of the news that we have received in the recent past.

Here is a letter that our associate Simon Haqq sent us earlier this year, before we started sending out this newsletter:

Dear Brother Paul,

This month we had two gospel events. Due to election fever in the city we were not allowed to hold big gatherings, so we decided to do two mini feeding events.

The first was in Delhi in a place called Fategrah where 80 people gave their lives to the Lord.

A young boy had severe nose blockage. God instantly removed the growth from his nose. His father being a non-believer wept bitterly after seeing his boy healed and gave his life to the Lord.

After seeing the miracle the pastor, Rev Peter, invited us to conduct a healing meeting. We agreed to it, and to our surprise the crowd doubled the next day.

During the alter call a girl was crying saying, "I never experienced Jesus like this before". In her testimony she said, "I didn't even fell like coming to the meeting, but an inner voice compelled me, and I am feeling so different." Her parents later told us she was going through a deep depression.

Beggar Children on the Street

Our second feeding event was in a village called Kankar Khatta in Haridwar. There were close to 70 new souls who gave their lives to the Lord.

Now we have close to 1500+ believers in Haridwar in different villages.

We baptized 22 people. Another 50 are ready.

Brother, thank you for your love, prayers and support.

Love,

Simon Haqq

We should point out that Simon and his team have now started 26 churches in Haridwar!

In fact when Simon visited there about four years ago he asked the man on the street of the village, "Do you know Jesus Christ?"

The man thought for a moment and replied, "I've lived here all my life, so if you tell me a little bit more about Jesus Christ maybe I can tell you where he lives."

That encounter triggered Simon Haqq's desire to bring the gospel of Jesus Christ to Haridwar!

More to Come

I plan to share with you more interesting reports from India in a future newsletter.

Thanks for reading.
