

# Christ In You

## Uganda (East Africa)

Just today I received an email letter from our ministry associate and leader in Uganda, Raphael. The work in Uganda is progressing very nicely. New churches are being formed. Many are receiving Jesus Christ as Lord and Savior.

Raphael has started a new church over a year ago in the capital city of Kampala where he lives. This is an important work for him, but his heart is just as devoted to the planting of the new churches in northern Uganda near the South Sudan border. Regarding this he writes the following letter:

Hi Dr Paul,

I hope you are fine in the Lord. We are fine and right now in Northern Uganda. We have been here for the last two days. We first took materials for building one of our latest churches. Lately we have started building using Iron pipes because structures are long lasting. Previously the ones we would build with wooden poles. The church we were building is called Diima Hunger.

Later we proceeded to another new church called Pocheng. We preached yesterday the whole day. People were ministered to and great things are happening in the region. Many people have gotten saved in this church. It is one of the youngest and there seems to be a miracle of salvation taking place in these villages. Before we reached to this village the nearest church was just a nominal church which was like 10 km. People are getting saved by the day.

Later we proceeded to Nyawino which is one of our firstly planted churches. In this place God is doing wonders too with many delivered and healed. We baptized 54 new believers. I am excited at what God is doing.

We came with many used cloths which were donated by people in Kampala which we shared with the naked in this region.

To God be the glory. I will send you photos shortly.

Bless you.
