## Reports from Africa and India

### From Uganda

Raphael, our associate in Uganda, sent us word that they have celebrated the second anniversary of the church that he pastors in the capital city of Kampala. He sent along a brief report and some photos:

This was our 2nd year anniversary on Sunday at *Christ In You Kampala*. God has brought many youth.

But it's my prayer that we may also grow financially because as it is now the church meets only a few of its needs.

## And a Wedding!

Raphael writes:

This is the first wedding of our church in Kampala. This couple came back to the Lord not long ago.

Raphael has also told us that on September 26 they will go to northern Uganda to commission two new churches. He says that some of the people they discipled in northern Uganda went back to their villages and started these two new churches!

## From India

*The Indian State of Uttar Pradesh*

We also received a report from our associate in India, Simon Haqq, who has given us this report from a meeting he had this week in the city of Allahabad in the state of Uttar Pradesh:

**Close to 3,000 people came from 20 different villages to be healed and delivered. Around 2,000 people gave their lives to the Lord. About 1,500 came for the follow up meeting.**

**There was a mighty manifestation of the power of GOD. Even when the gospel was being preached unclean spirits were coming out of people. Half the crowd raised their hands to testify they were healed.**

**During the follow up meetings we heard testimonies that a brain tumor vanished, blind eye was opened, an issue of blood was healed, and an insane man came to his right mind. For three years he was insane...and many more miracles.**

**I will keep you updated as I hear more.**

**Love**

**Simon**

**Please pray for the work in India and Africa. Pray for wisdom and health among those who work to plant churches and proclaim the gospel.**

**If you can contribute financially it would be a tremendous help. Just a little money goes a long way.**

**Thanks for your interest in this important work!**

*Christ in You is a 501c(3) non-profit organization. Therefore, all contributions are tax deductible.*

It is very effective for us to help native Christians proclaim the gospel of Jesus Christ. They do not have to learn a new language. They already know the culture. Concepts like furlough and culture shock are unknown to them! We can often support 20 pastors or evangelists who are native to the country for the same price as one "missionary" from outside their country.

Currently we are assisting our associates in West Africa, East Africa and India.
