

Christ In You

Outreach to Northern Uganda

This past week our associate Raphael and his team traveled by truck for several hours to northern Uganda to the region of Nebbi. Raphael sent a description of his outreach along with some photos which we are sharing with you here.

Location in Uganda

"We traveled today and right now we are in Nanda. We leave at 7 am to Nebbi, another 4 hrs journey."

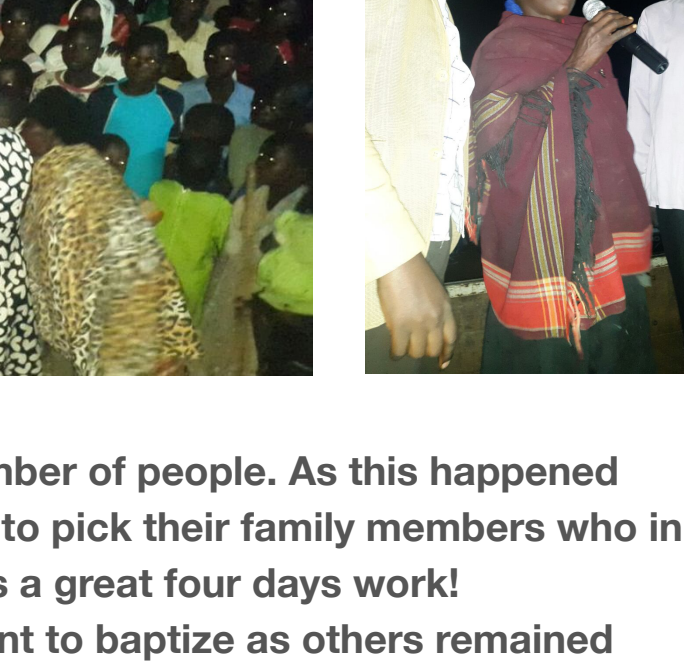

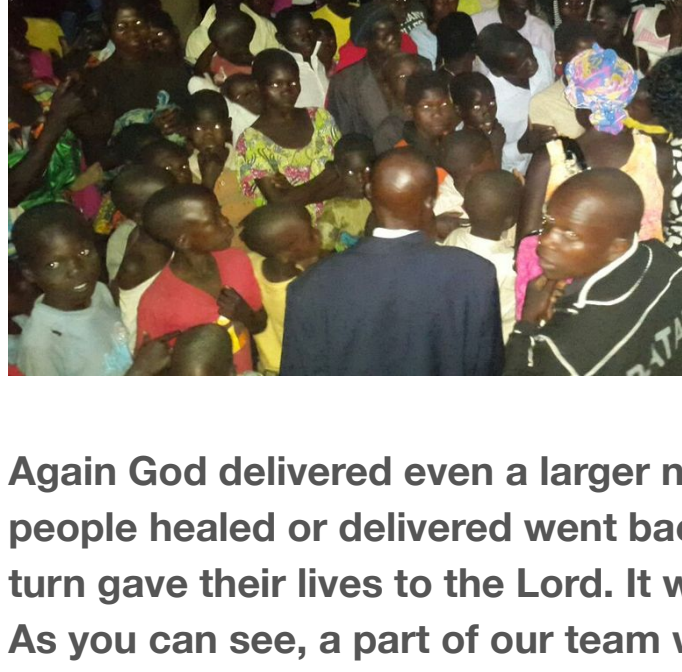

The Truck Carrying the Team Several Hours North.

The truck above was hired by our village churches who came along with us to launch this work.

Raphael writes: **The crusade started with just a few people in the first day. The next morning we began ministering in the church. As the day progressed God performed great works in deliverance and healing. Towards the evening we ended so as to prepare for the crusade as people returned to their homes to prepare for the evening crusade. As they went, word spread about what God had done in church. In the evening the crusade ground was full of people from far and wide who had brought all who were sick and the demon possessed.**

Again God delivered even a larger number of people. As this happened people healed or delivered went back to pick their family members who in turn gave their lives to the Lord. It was a great four days work! As you can see, a part of our team went to baptize as others remained ministering.

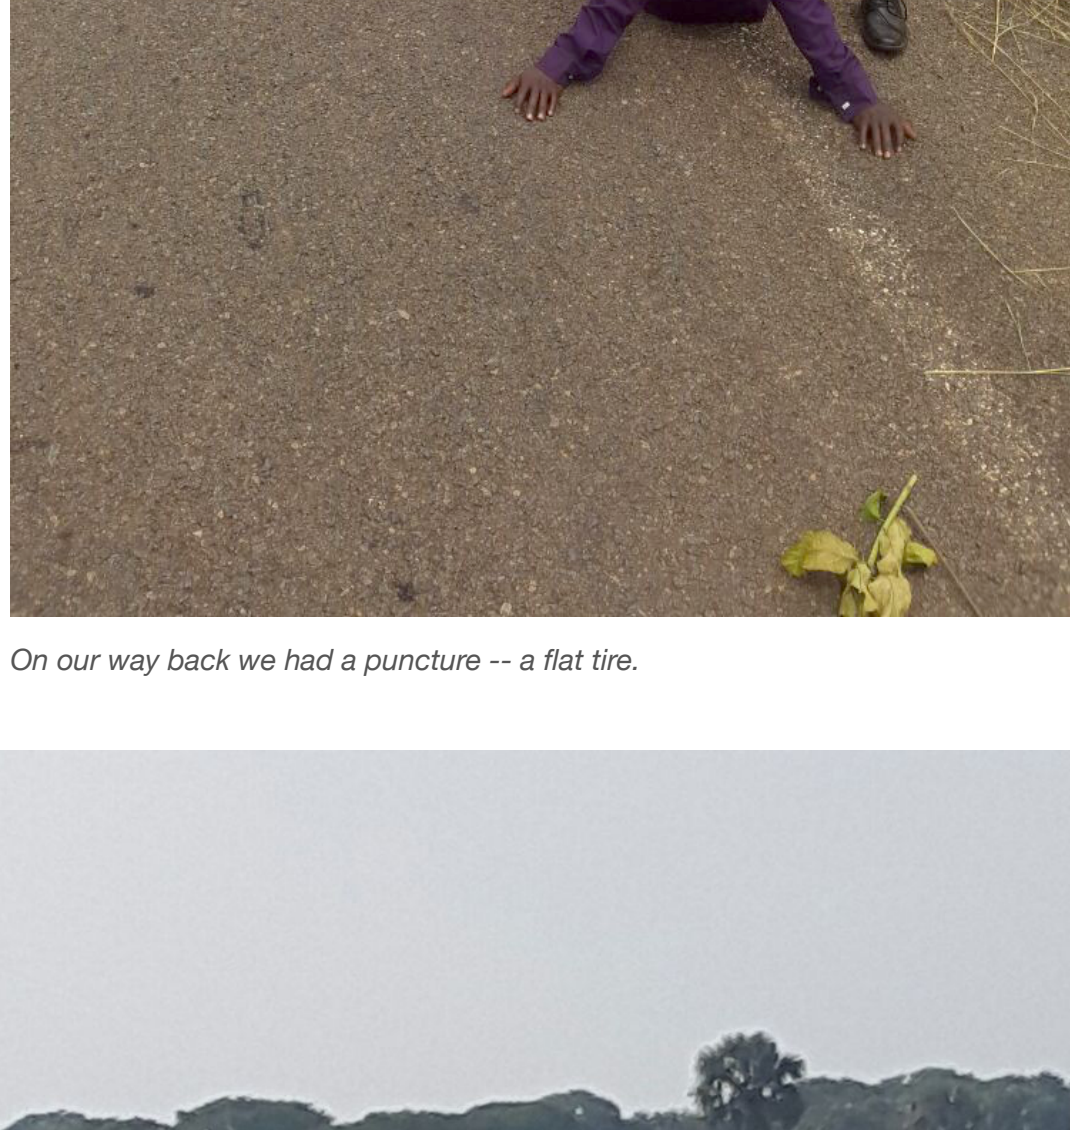

In short, we commissioned the Kalwang Christ-in-You healing centre. We have Gulu Christ-in-You church to be launched shortly. There are two fellowships taking place that meet regularly in the region which we have to help become churches.

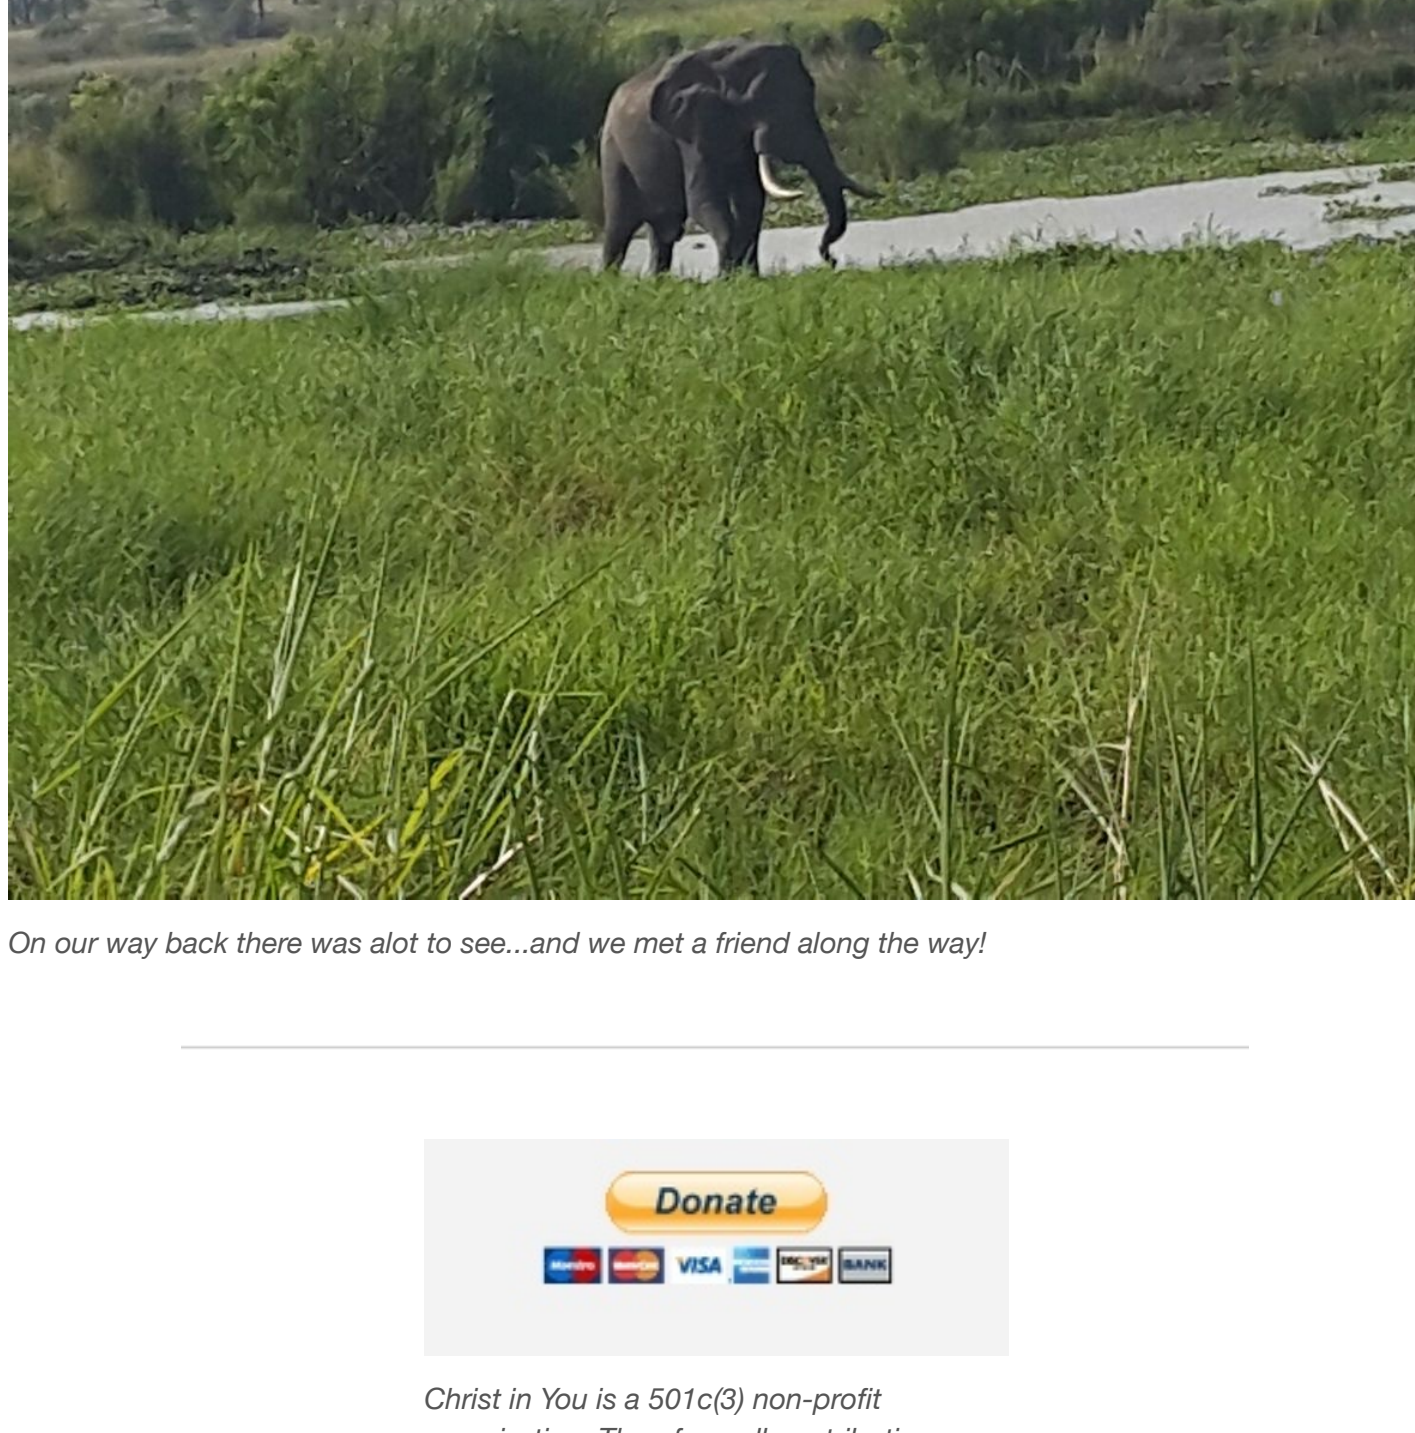

We also took cloths to give to people. There are many children without cloths so we had to carry some. However we nearly caused a stampede as people struggled to get at least one piece.

CLICK on this photo for a video clip where Raphael says, "They have broken the church fighting for clothes!"

On our way back we had a puncture -- a flat tire.

On our way back there was alot to see...and we met a friend along the way!

It is very effective for us to help native Christians proclaim the gospel of Jesus Christ. They do not have to learn a new language. They already know the culture. Concepts like furlough and culture shock are unknown to them! We can often support 20 pastors or evangelists who are native to the country for the same price as one "missionary" from outside their country. Currently we are assisting our associates in West Africa, East Africa and India. Thank you for your prayers and contributions!
