## Mission Conference

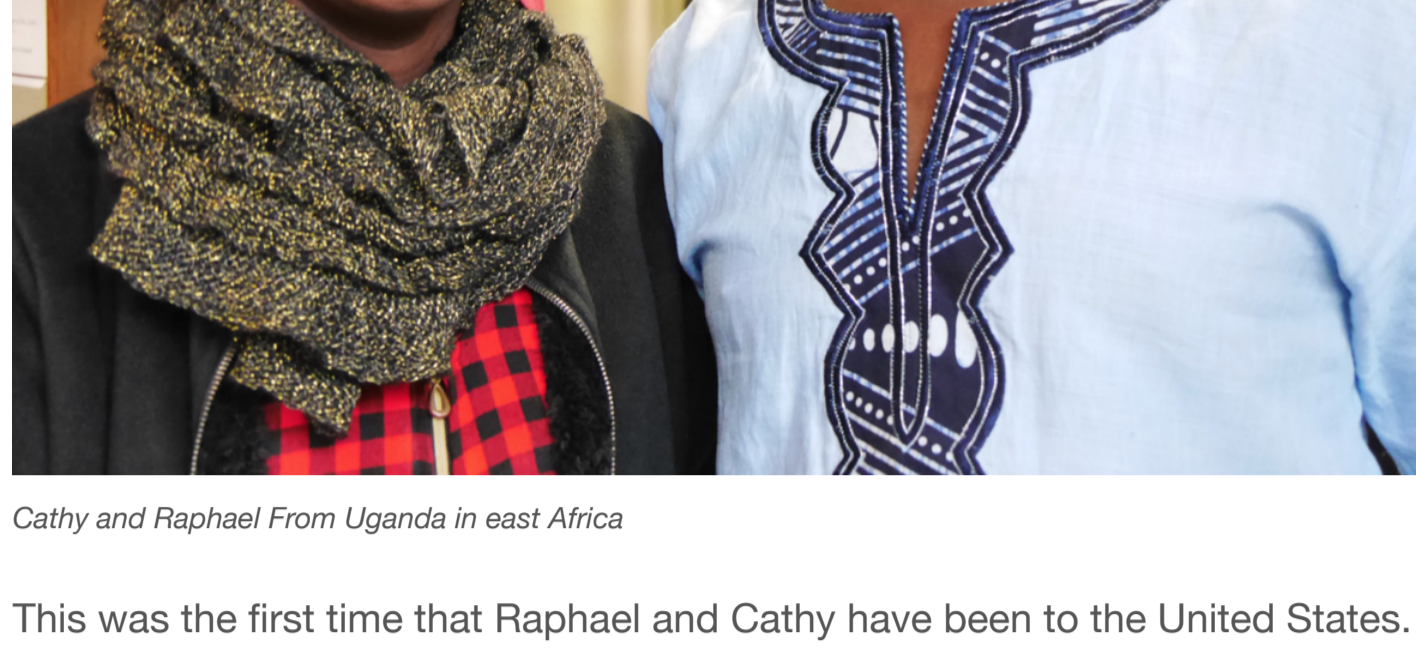

### What a Blessing!

Pastor James Snow, one of the original founders of Christ in You, organized a mission conference at the Heritage Assembly of God church where he is the pastor. The conference concluded last Wednesday. It was a wonderful time of fellowship and spiritual renewal.

The featured speakers were the two main national pastors and evangelists who we sponsor: Simon Haqq from India, and Raphael Nguchie and his wife Cathy from Uganda.

Cathy and Raphael From Uganda in east Africa

This was the first time that Raphael and Cathy have been to the United States. The experience of seeing America for the first time these past few days has been enjoyable for them. At the same time, people have basically the same needs all over the world. The spiritual needs that we have in the United States are essentially no different than those in Uganda. The gospel message is needed by all of mankind.

Pastor and Evangelist Simon Haqq

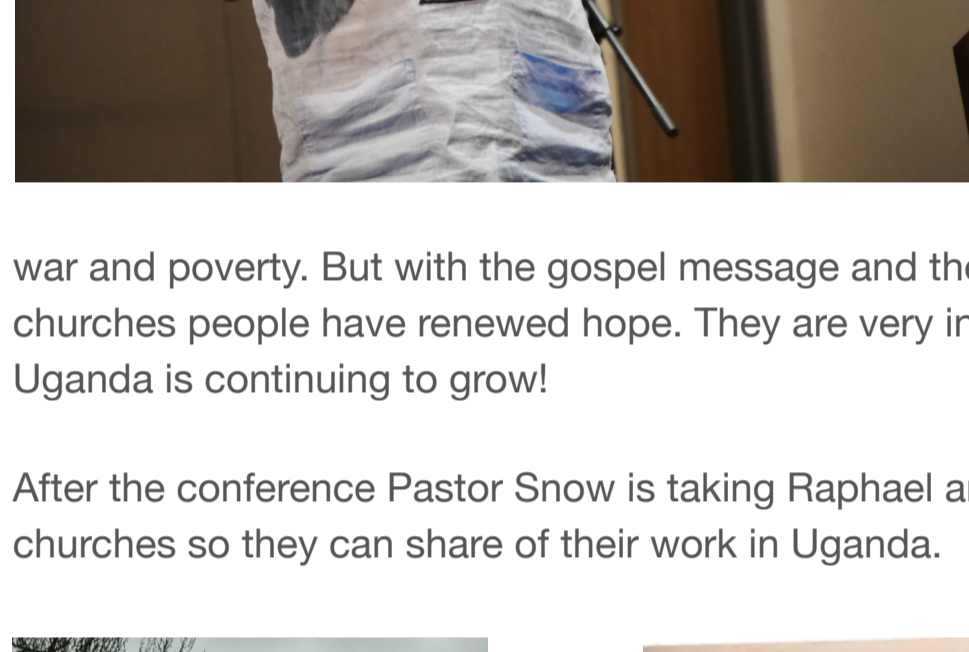

On the first day of the conference Simon Haqq gave his testimony and an overview of his ministry. When I first met Simon in 1998 he was struggling to start one small church in Delhi. Now he is in charge of multiple churches throughout the city of Delhi. In addition he has helped plant

over 20 churches in the very dark "Land of the Gods." This region is very antagonistic to Christianity. Simon came very close to experiencing the loss of his life. The possibility of physical harm is always present. In spite of these obstacles God has brought many people into His Kingdom and now the churches continue to grow and multiply.

In addition Simon networks very closely with hundreds of pastors throughout North India. He is called upon to hold large evangelistic meetings. Just over a year ago he spoke at an historically largest crowd of 2 million people! Hundreds of thousands of people received Jesus Christ as Savior in that one meeting!

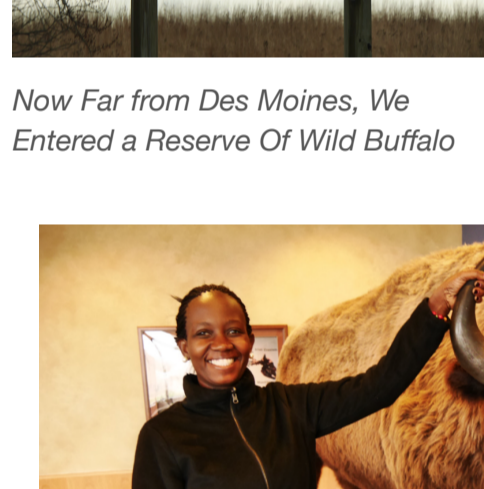

Also last Sunday Raphael gave his testimony and a description of his work. He and his team, by God's guidance and grace, have started over 20 new churches in Uganda. Some of these are very poor and desperate areas. Some have seen the ravages of

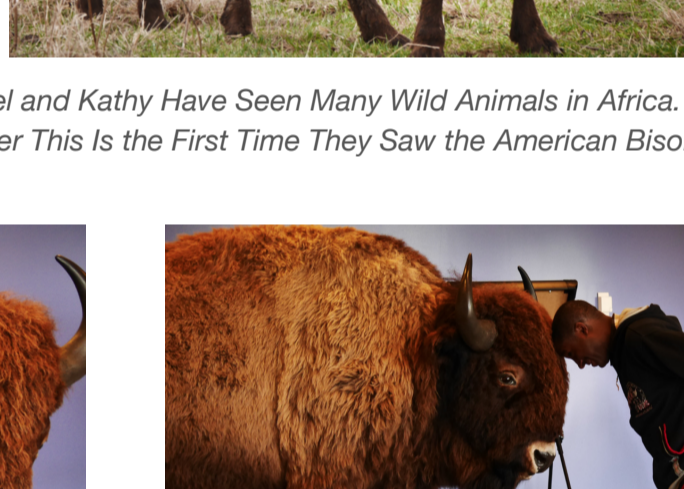

war and poverty. But with the gospel message and the planting of new churches people have renewed hope. They are very inspired. The work in Uganda is continuing to grow!

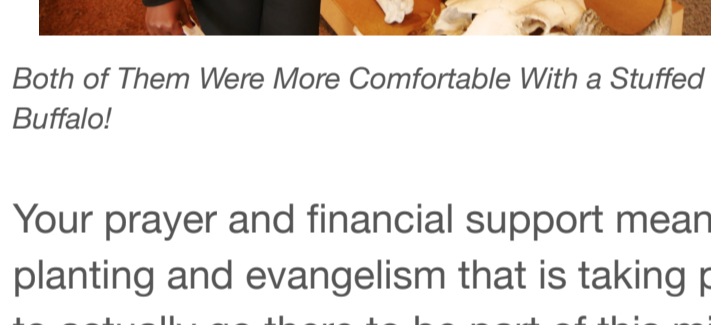

After the conference Pastor Snow is taking Raphael and Cathy to various churches so they can share of their work in Uganda.

Head to Head

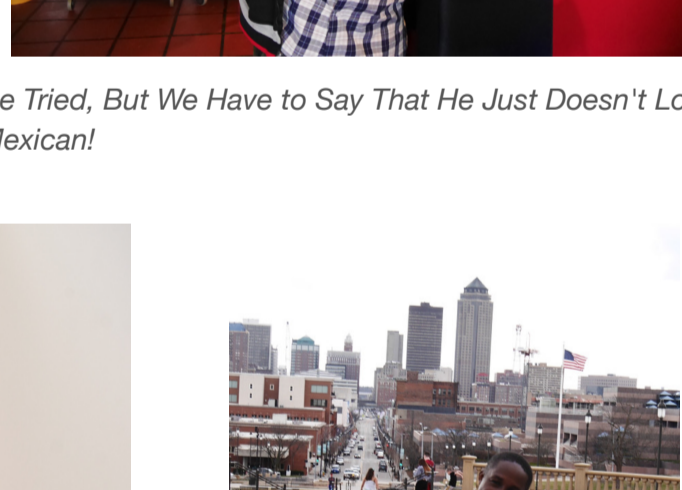

Your prayer and financial support means that you too are a part of the church planting and evangelism that is taking place in India and Africa. You don't have to actually go there to be part of this ministry. If you want to go you certainly can. Contact us and we will arrange that for you.

Yet even without going to another continent you are planting churches and winning souls for Christ by praying for Simon and Raphael and Cathy and by contributing some of your money to this effort. In fact, because of you God is blessing this tremendously.

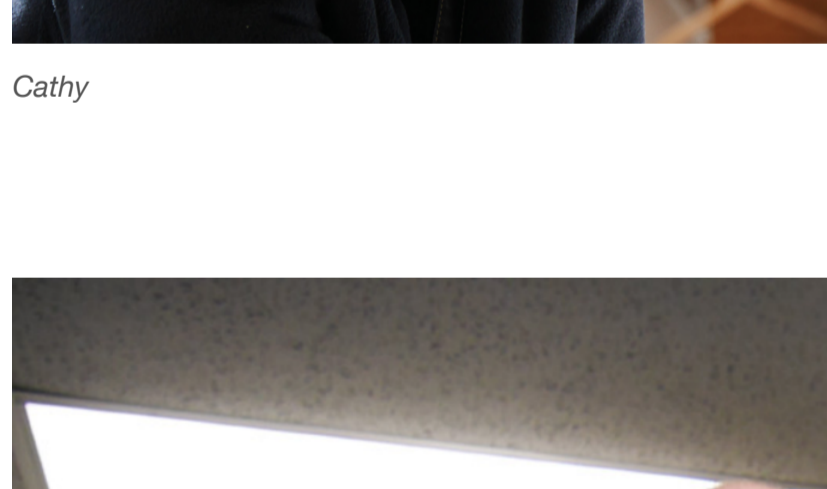

On behalf of Simon Haqq and Raphael and Cathy and all of those of Christ in You we want to thank you for your prayers and your support. In this you will find the greatest of life's rewards.
