

Christ In You

Merry Christmas!

Christmas is not widely celebrated in India, certainly not as a national holiday, since Christians comprise roughly 2.5% of the Indian population.

Nevertheless most people are intrigued by Christmas and enjoy the music and other trappings of the holidays.

For the past several years our associate Simon Haqq in the Indian capital of Delhi has capitalized on this intrigue that the Indian people have for Christmas. Every Christmas he has special open-air evangelistic meetings. People are invited to share Christmas songs and there are decorations and the ambience of the Christmas mood. Then the real meaning of Christmas is explained in an evangelistic message which every year has brought hundreds of new believers.

This Sunday on Christmas the open-air evangelistic meeting will be repeated in Delhi. Pray for great success! Pray that many will come to receive Christ as they hear the gospel for the first time. We expect a great move of God this Christmas in Delhi. We will report to you in a future newsletter. In the meantime please pray for this event.

Uganda Churches Grow

Our associate in Uganda, pastor and evangelist Raphael, drove from the capital of Kampala in the south to the northern portion of Uganda for evangelism and encouragement and taking in two new churches into their fellowship. One was a small church that benefited from this evangelism outreach. The other was a dedicated prayer group that has grown to the point where it is now a small church.

Raphael writes:

We went to launch this church in Kole District. It was an amazing experience to see these poor people who, upon finishing the time of fellowship with them, insisted on being a blessing to us. You can see these women handing over two cups of peas.

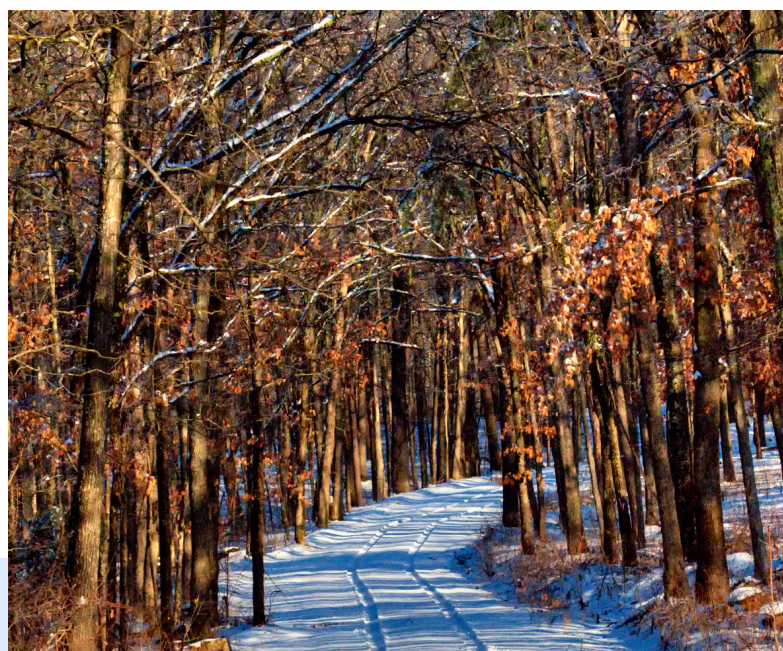

Because of You...

The work continues to grow strong.

New churches are being planted in India and Africa. Evangelistic outreaches are sweeping in souls to Jesus Christ by the hundreds and thousands every year. We are blessed by the tremendous effectiveness for such a small organization as Christ in You.

Over the past several months our contribution income has been lower than it has been in many years. Our overhead expenses are very low. What little expenses we have as an organization is being handled by one particular contributor.

So all the money that is contributed to Christ in You goes directly to evangelism and church planting.

We give our heart-felt thanks to those of you who are contributing regularly. Many of you are giving us regular monthly contributions and this means so much.

For tax purposes some like to give an end-of-the-year contribution. If you feel led to do that it would come at a much needed time.

Please pray for this ministry. Pray for Raphael in Uganda and Simon Haqq in India. Pray that God would grant them wisdom and health as they continue to bring the gospel to under-served areas.

May God bless you this Christmas and in 2017!

Christ in You is a 501c(3) non-profit organization. Therefore, all contributions are tax deductible.
