

Christ In You

Uganda

Our associate in Uganda, pastor and evangelist Raphael, arranged a weeklong leaders' conference. Pastors and church leaders from villages around Uganda converged on this very meaningful conference.

These pastors do not have the benefit of attending a Bible school or seminary, so these conferences of leadership are extremely important.

This was my brother's first time to Africa. He was very well received. My brother Marlon is a retired pastor and his knowledge and experience was invaluable to those who attended.

Uganda has the youngest population in the world. A total of 78% of Ugandans are below the age of 30 years and 52% below 15 years.

After the conference Marlon went to many of the villages and Raphael introduced him to some of the pastors.

Raphael and his team have now planted 26 churches in Uganda. Churches are growing and evangelistic meetings bring a wonderful harvest of souls.

Please pray for Raphael and his team of pastors.

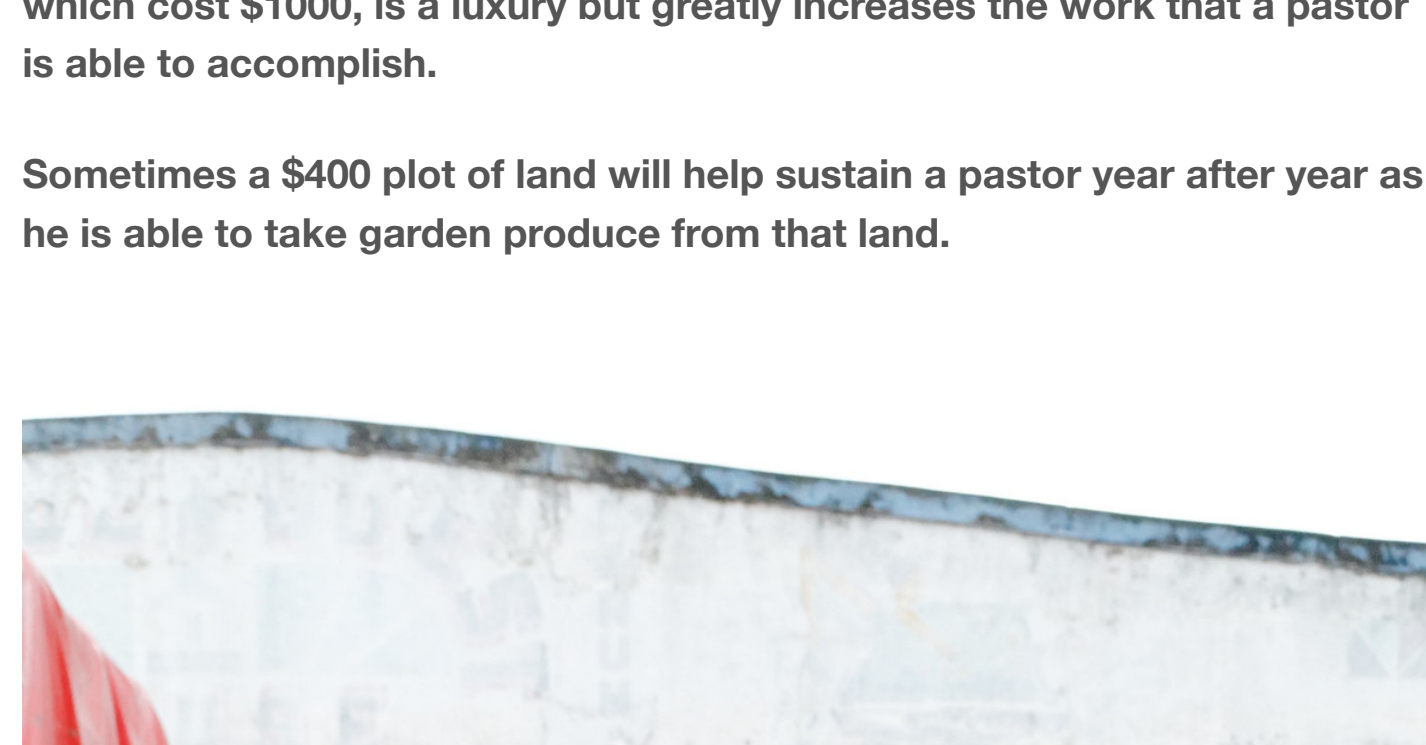

Baptism in the Nile River

There are many challenges for a village pastor in Uganda. Many pastors have to walk miles from home to home or village to village. A motorcycle, which cost \$1000, is a luxury but greatly increases the work that a pastor is able to accomplish.

Sometimes a \$400 plot of land will help sustain a pastor year after year as he is able to take garden produce from that land.

Christ In You Leadership

At the last board meeting of *Christ in You* we took on a new board member, Pastor James Snow, who was with us some years ago at the very formation of *Christ in You*. Pastor Snow has assumed the responsibility of being our new president, and Rev. Tim Richards, who for the past several years has been our president, has now rotated to being the secretary of *Christ in You*. I am remaining as the treasurer.

Christ in You is a 501(c)(3) non-profit organization. Therefore, all contributions are tax deductible.

It is very effective for us to help native Christians proclaim the gospel of Jesus Christ. They do not have to learn a new language. They already know the culture. Concepts like furlough and culture shock are unknown to them! We can often support 20 pastors or evangelists who are native to the country for the same price as one missionary from outside their country.

Currently we are assisting our associates in West Africa, East Africa and India.

We need your help!
